

The Dutch in New Jersey

A Bus Trip to Benefit

The Historic Preservation Society of Upper Township

Saturday and Sunday, April 29th & 30th, 2023

Join us for an interesting and fun trip to visit some of New Jersey's best kept secrets. The Dutch were the first to settle the land between the South (Delaware) and North (Hudson) Rivers claimed for the Netherlands by Henry Hudson on his 1609 voyage. This part of New Jersey's history is often overlooked, but the contributions of these settlers were important in the founding of our country and some of the institutions that we take for granted as being English.

Some of the houses we'll be visiting:

[The Van Nest Farmstead, 1755](#)

[The Bouman House, 1741](#)

[The Wyckoff House, 1730](#)

The trip includes bus fare, admission to all sites, lunch on Saturday, dinner at Mannion's Irish Pub Saturday evening, the hotel room, breakfast and lunch on Sunday as well as the bus driver's tip. Your only expense will be for any souvenirs you pick up along the way and dinner at a parkway rest stop on the way home.

Cost of the trip is \$245 per person. If rooming alone, add \$62 to the cost.

For more information or for a reservation form, please contact Pary Tell at parytell@gmail.com or call 609-886-8577.

Hope to see you on our latest adventure.
